Subject: Degree Audit: Student Feedback Requested

Students,

How do you use the degree audit system?

The [degree audit and four-year planner](#) tool puts you on a clear path to graduate from the University of Utah. Last month, the [Office of the Registrar](#) announced an initiative to [modernize](#) the degree audit system and we need your feedback as an improved tool is selected to replace it.

Please submit this [two-minute feedback survey](#) to tell us how you use the degree audit and four-year planner system, what you like about it, and ideas to best serve our institution with it.

Questions? Please contact degreeauditproject@utah.edu.

Thank you,

Office of the Registrar
